

LOTTERY DE CHRISTMAS and POSTERS We have available participation of 5? or tenth of number 78.676. All the one that wishes we can send by mail and load the amount to him in its account. Also, if somebody wishes to sell it, also we can enviaros tacos of 50 problems. Also we have available posters so large A3 and A4 to place in planks of announcements of the companies.

CHARLA-COLOQUIO "WHAT IS a ONG" has been everything a success and a pleasure to distribute it. In our experience, in concrete in the diminished Center of Occupational Formation for psychic of the Retamas in Alcorcón, we have managed to motivate of such way the students who we will return in a month so that they make proposals to us of projects to develop and they will be the ones in charge to look for financing in a reasonable time. Also, they will collaborate with the precious crafts that creates with their hands in our Fair of Crafts in May. It has been a highly rewarding experience us receiving all type of hugs, kisses and the joy on the part of these students.

SUBVENTION GHOST PROJECT YOUNG. A LOST IDENTITY We are still pending of which the city council of Alcorcón pays the granted quantity to us of the subvention to be able to develop it.

PROJECT NOURISHING INDUSTRIALIZATION 2009 we are beginning to make studies in the zone of Monteagudo, Bolivia, to develop a project with views to the year 2009 that consists of the excessive conservation and industrial packaging of nourishing of local agriculture for its later sale to the internal market

PROJECT CANILLITAS "SLATES To the STREET" We will present/display to Labor Box a project destined to 150 selling newspaper children in the street, canillitas, in Sucre, consisting of Bolivia and the purchase of impermeable shelters as far as possible to palliate the hardness of its work. On the other hand, in exchange for this material donation, we have reached an agreement with educative them by whom they are committed to receive formation in factories in values and in the free short whiles in which they join themselves to eat and to rest. For it the hiring of several professors and movable educative material.

NEW ACCOUNT IN LABOR BOX we have opened a new banking account in the branch of Alcorcón because the costs of domiciliación of receipts and commissions much more are reduced and also we can present/display cooperation projects so that they subsidize to us.
