

Welcome to this one ours first official communication to you, our partners:

From the 3 of January of our official creation almost five months have passed. In this time we have been able to finish with the innumerable bureaucratic proceedings of our association in addition to logistic and administrative aspects for, now already if, to dedicate to us to comunicaros as is your ONG. We want that these communications are regular and bidirectional. For it we initiated with this first bulletin as a summary of these first months of operation. For any information or it consults you do not doubt in poneros in contact with us.

PROJECTS

URUGUAY

We have made the presentation of the Project Communal Escuela/Salón Uruguay 2006, whose detailed content you can see in our Web, to three calls of projects of international cooperation for organizations without spirit of profit in the months of February and March:

- III Call of Projects of cooperation to the development of the Complutensian University
- Opened Call of the Spanish Agency of Cooperacio'n Internacional (AECI) - Call of Aids to shared in common development 2006 of Box of Cantabria

In the months of June and July the failures will take place. With one single one of them granted we would initiate its execution immediately.

BOLIVIA

We are initiating conversations of understanding with a catholic civil ONG, Mosoj Ñan, to know how they work, its projects, ideals, etc. Since Bolivia is the poorest country of South America.

In the second call of the year of the AECI we would already present/display the projects with this ONG, which we will hang shortly in the Web.

HUMANITARIAN AID

We already have departure date of the military ship Uruguayan Miranda Captain with part of the humanitarian aid which at this moment we have. In particular, it will be in Cadiz from the 26 to the 29 of July. We needed to transport it until Cadiz. The cost of this shipment gratuitous is yielded by the Uruguayan Consulate in Madrid, having excepted taking the aid to the port of Cadiz. The rest we are thinking about sending it to the Bolivian ONG by means of special private load.

Right now, we have more than one ton of material distributed between Alcorcón and Sabadell of books, used clothes and shoes, infantile medicines, foods, computers and components and toys.

WORK GROUPS

Our secretary has proposed the idea to form work groups in concrete and specific tasks between the partners interested and available. If you want to participate in some of them you contact with him:

RAFA secretario@profesorescooperantes.org

1) Group of Packing of humanitarian aid 2) Group of countable and fiscal Consultant's office 3) Group of Publicity and Promotions 4) Shared in common Field artillery battalion and collection 5) Group of Mailings to Companies

All are empty. We needed to you so that you coordinate them!

OUR PARTNERS

In this section we want to make special mention to those more shared in common partners. And he is for that reason, that this first bulletin is exclusively for them two: MARIA VÁZQUEZ TRENADO and RAFAEL RHODES CENTENERA

Thanks to their shared in common work and for own will, our ONG has medicines and parafarmacia, in form of kilos and kilos of them. Without nothing in return. Without us to request it. Pure altruism. Let us thank to them in name of all. Visítenles. Let us be shared in common with the shared in common ones.

Ldo. Pharmacy Rafael Rhodes PL. of Santo Domingo, 9 Alcorcón

OUR COMPANIES

Thanks also to each one of them, we can receive diverse materials in species, that of another way would cost enough money to our ONG.
